

Welcome to the web-page for Resident Events & Activities (REA)

We have a resident volunteer committee that plans & offers get togethers of interest to those living here. There are a number of social groups & we encourage everyone to join us in friendship. It's a nice way to meet your neighbours & learn about our community.

Most of our gatherings are in the social room, a few are virtual & when the weather is nice you will often find us in the recreation park adjacent to the property. Activities change over time but some constants scheduled in the social room are Wednesday morning coffee, Friday happy hour, book clubs & games. There is a pro-size pool table, small kitchen area & a resident library with all ages books, puzzles & boards games to borrow!

You can find current information posted throughout the chateaux. Each lobby has a glass bulletin board with a REA section, notice boards are in the elevators & the social room has a bulletin board for our updates.

These links will take you to relevant resident information on the website:
